ACADEMIC EDUCATION

National Bachelor's Degree in Business Intelligence with honors	2022-2025
Higher Institute Of Management Sousse	
National Baccalaureate Diploma	June 2022
Bachelor's degree in Economic and Management from Rommania high school graduated with honors	

PROFESSIONAL EXPERIENCE

Final Year Project – “XpresMarket: B2B E-commerce Platform”	2024-2025
As part of my internship at Visioad, I developed XpresMarket, a full-stack B2B platform for agro-food product exchange between companies. I used NestJS, Next.js, Prisma, MySQL, and Firebase to build features like real-time chat, role-based access, KPIs, and product management. This project deepened my skills in modern web technologies and scalable API design.	
Freelance Graphic Designer	2024-Present
Designed visually compelling posters and social media posts for various clients, achieving high engagement and positive feedback.	

ACADEMIC PROJECT

Inventory Management System	2023-2024
using React js , Vite and MySQL Workbench
